Treasurers Report

Financials – Year Ended 30 April 2026:

- Income Receipts: \$309.5k
- Payments: (\$316.7k)
- Surplus (Deficit): (\$7.2k)
- Cash Balance: \$30.3k

Some questions around player costs, F&B sales vs F&B costs.

Explanation around deficit being caused by spending on non-recurring items such as shade sales and equipment such as golf buggy. Take that out and we would have turned a profit.
