The player will remain ineligible until all outstanding payments are made in full. Any player with any outstanding fees will be ineligible for finals selection.

8. Special Considerations

The Club understands that there may be exceptional circumstances that prevent timely payments. Players facing financial difficulties are encouraged to contact the Club Treasurer prior to the payment due date to discuss potential alternative arrangements.

The Club Committee will review such cases on an individual basis and may grant extensions or make other accommodations as deemed appropriate.

9. Enforcement

The enforcement of this policy is the responsibility of the Club Treasurer and the Club Committee. Regular audits will be conducted to ensure compliance.

10. Refunding of Fees

At the conclusion of the season, should a players 'per match' fee be calculated at or above the applicable per match fee stated above then the club shall refund the difference.

To calculate whether a refund is owed the below calculation shall apply.

Fees Paid / Matches Played = 'Per Match' Fee

To calculate the refund owed the below calculation shall apply.

Fees Paid - (Matches Played x Applicable Amount) = Refund Owed

Example:

A senior male player pays \$400 in upfront fees. The player plays 12 matches throughout the regular season and finals series.

\$400 Paid / 12 Matches = \$33 Per Match – Therefore a refund is owed

\$400 Paid – (12 Matches x \$25) = \$100 Refund Owed

For the purposes of determining any refund owed, any games missed due to suspension will be deemed as matches played.

11. Players Seeking Clearance

Players seeking a clearance from the Club must have all amounts owed to the Club paid in full prior to a clearance being granted.

Any player seeking a clearance from the club will not be entitled to a refund of fees described in **Section 10**.

12. Prior Season Fees Outstanding

Any player with fees owing from prior seasons will not be eligible for selection or participation in club activities until paid in full.

13. Fee Discounts

For information relating to any applicable fee discounts please reference the club bylaws **Section 2.8**
